

HippieJefest Directions

Site Address:

7485 County Road 3913
Athens, TX75752-3892

Notes:

1. There is an excellent map on the site www.hippiefoundation.org, Event tab, 7845 County Road 3919 link.
2. We will place signs at strategic decision points to guide you to the site.

General Directions:

These directions are based on a starting point which is the intersection of **State Route (SR) 19** and **County Road (CR) 3907** located approximately 2-miles **North** of the Athens Loop, **SR 7** on **SR 19**

From the DFW area, take **I20** to **US175 South** and continue on **US175** to the Athens Loop **SR 7**, then **North** on the Loop to the **SR 19 North**.

From I45, **SR 85 East** from Ennis, or **SR 31 East** from Corsicana intersect the **SR 7** Loop.

The site is located on **CR 3913** approximately 4 ½ miles from where **CR 3907** intersects with **SR 19**. **SR 19** is a **North/South** road, and **CR3907** “**Tees**” into **SR 19** from the **West**. There are **two landmarks** near the intersection of **SR 19** and **CR 3907**. **North** of the intersection is a **Cell Tower**. Just **South** of the intersection is a large **Drill Rig Tower**. Also, at the intersection is a “**Sandflat Cemetery**” sign. **CR 3913** branches to the **left** from **CR 3907** about 1 mile from the site.

Specific Directions:

From **SR 19** drive **West** on **CR 3907** for approximately 3.3 miles to **CR 3913**. There is one place where **SR 3918** crosses **CR 3907**. This intersection looks somewhat like a “**Y**” and you need to do a little bear Left (not a Hard Left) at this point. At **CR 3913** turn **Left** and continue for approximately One mile. The Hippie-Jefest site is on the **left** and there will be directional signs to the parking and camping area.
