

HippieJeffest Directions

Site Address:

7485 County Road 3913
Athens, TX75752-3892

Notes:

1. Watch out for SPEED Traps. Sue and I drove out Saturday April 11th and there were at least 5 places on US175 that had speed traps set up.
2. There is an excellent map on the site www.hippiefoundation.org, Event tab, 7845 County Road 3919 link.
3. We will place signs at strategic decision points to guide you to the site.

General Directions:

These directions are based on a starting point which is the intersection of **State Route (SR) 19** and **County Road (CR) 3907** located approximately 2-miles **North** of the Athens Loop, **SR 7** on **SR 19**

From the DFW area, take **I20** to **US175 South** and continue on **US175** to the Athens Loop **SR 7**, then **North** on the Loop to the **SR 19 North**.

From I45, **SR 85 East** from Ennis, or **SR 31 East** from Corsicana intersect the **SR 7** Loop.

The site is located on **CR 3913** approximately 4 ½ miles from where **CR 3907** intersects with **SR 19**. **SR 19** is a **North/South** road, and **CR3907** “**Tees**” into **SR 19** from the **West**. There is a **landmark** near the intersection of **SR 19** and **CR 3907**. **North** of the intersection is a **Cell Tower**. Also, at the intersection is a “**Sandflat Cemetery**” sign that points to **CR3907**. **CR 3913** branches to the **left** from **CR 3907** about 1 mile from the site.

Specific Directions:

From **SR 19** drive **West** on **CR 3907** for approximately 3.3 miles to **CR 3913**. There is one place where **SR 3918** crosses **CR 3907**. This intersection looks somewhat like a “**Y**” and you need to do a little bear Left (not a Hard Left) at this point. At **CR 3913** turn **Left** and continue for approximately One mile. The Hippie-Jeffest site is on the **left** and there will be directional signs to the parking and camping area.
